EXPERIENCE

[Geeksforgeeks](#), Noida UP — Content Writer

2020 - PRESENT

There are 20+ Articles on Algorithms, Data Structure, and language function.

EDUCATION

Sant Longowal Institute of Engineering & Technology, Punjab — *Bachelor of Engineering, Computer Science*

july 2019 - PRESENT (Expected may 2032)

CGPA: 9.10/10

COMPETITIVE PROGRAMING

[HackerRank](#)

- 6 Star coder with points 4198.17 in Algorithms
- 5 Star coder with points 361 in c++
- 5 Star coder in Python

[Codeforces](#)

- Green Coder with highest rating 1362 (solve 400+ problems)

PROJECTS

[Gallery App](#) — Web App on MERN STACK

In this project we use MERN STACK technology along with Advance login-logout google authentication.

[Spam Classifier](#) - This App built on Natural Language Processing and naive bayes machine learning algorithms.

SKILLS

Programming Languages : C++, javascript and Python.

Web Development : HTML, CSS, Javascript, Reactjs, Expressjs, Nodejs, Material UI.

Database : No SQL , MongoDB.

AI : Machine Learning, Deep Learning

Other : Algorithms, Data Structures, GitHub, Heroku Web Hosting, MongoDB Atlas.

AWARDS

- Secured **3725** Global Rank in Google Kickstart Round H 2020
- Secured **4131** Global Rank in Google Kickstart Round G 2020

LANGUAGES

English and Hindi.
